Python Programming Language Assignmnet # 1

1. Write a Python program to print the following string in a specific format (see the output).

```
Twinkle, twinkle, little star,
      How I wonder what you are!
             Up above the world so high,
             Like a diamond in the sky.
Twinkle, twinkle, little star,
      How I wonder what you are
```

2. Write a Python program to get the Python version you are using
3. Write a Python program to display the current date and time.
4. Write a Python program which accepts the radius of a circle from the user and compute the area.
5. Write a Python program which accepts the user's first and last name and print them in reverse order with a space between them.
6. Write a python program which takes two inputs from user and print them addition
